

Covid-19: Rules of conduct

Rules of conduct for the use of the service (Covid-19 Emergency)

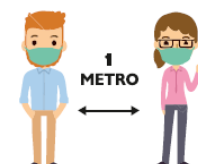

- Do not use the public transport if you have symptoms of acute respiratory infections (fever, cough, cold)

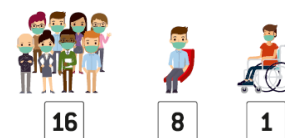

- Access to the minimetrò is allowed **only with FFP2 mask, for the protection of nose and mouth**

- Follow the signs and routes indicated, always keeping a distance of at least 1 meter from other people inside the stations

- **A maximum of 25 people are allowed to enter the coach:** 16 standing places, 8 seated, and 1 place for a person on a wheelchair

- Before getting into the coaches or elevators, wait at a distance for the possible descent of other travelers

- Sanitize your hands frequently and avoid touching your face

Compliance with the rules of conduct is entrusted to the individual sense of responsibility of each traveler. Under no circumstances the company is responsible for passenger behaviors that do not comply with the provisions
